

Ceuta & Melilla: An African Gateway to Europe

Migration from Africa to Europe Predictions

Name_____

Hour_____

1. Which African countries would you predict to currently have the highest numbers of people living outside their birth country (emigrants)? Add the names of 10 countries to the chart below in the Your Prediction column.
2. Which migration routes from Africa to Europe would you predict to be the most common? How do people travel over land and water from Africa to Europe? Add arrows to the Africa map below to illustrate common migration routes.
