Arrest and Debrief

1. Who will you arrest for committing the crime?

2. Reasons for arresting him/her:
   - motive:
   - evidence that he/she could have been at the scene:
   - reliability:
   - witnesses and how their testimony contributes to the case:

3. In what ways was an understanding of Oman’s history, culture, and geography important in solving the crime?

4. What were some of the advantages and disadvantages in working as a team? How did your team try to maximize the advantages and overcome the disadvantages?
