

## **Arrest and Debrief**

1. Who will you arrest for committing the crime?

2. Reasons for arresting him/her:

- motive:

- evidence that he/she could have been at the scene:

- reliability:

- witnesses and how their testimony contributes to the case:

3. In what ways was an understanding of Oman's history, culture, and geography important in solving the crime?

4. What were some of the advantages and disadvantages in working as a team? How did your team try to maximize the advantages and overcome the disadvantages?
