

Evidence Card for Investigator #4 – Panorama Mall

The Panorama Mall is one of several modern shopping malls in Muscat. It is new (just opened in 2015), very clean, and very large. Over 120 stores, entertainment areas, and eateries are included in its three levels. The Savannah BBQ is one of the restaurants, featuring African cuisine. If you don't like that kind of food, you are welcome to eat at Subway, Omani Crepe, London Fish & Chips, or other food places – or buy groceries at the large Spinney's Grocery Store in order to prepare your own meal.
