RAFT Writing Assignment

4-5 Paragraphs with a minimum of 6 sentences in each paragraph. Be sure to offer evidence and support for your research and arguments.

Role of the Writer =

You are a modern-day advisor from the World Bank studying the possible effects of the Red Sea to Dead Sea Canal.

Audience =

You are writing a report to present to the State of Israel, the Palestinian Authority, and the Hashemite Kingdom of Jordan at a conference next week.

Format =

Your superior has asked you to submit a report summarizing your research and arguments.

Topic =

You are researching the issues behind the Red Sea to Dead Sea Canal, and will compare these findings to what occurred with the flooding of Rainbow Bridge by Glen Canyon Dam. Begin by giving a brief summary of the two situations for the members of the conference that are unfamiliar with the ideas. Continue to explain the issues, propose a solution based on your findings. Be sure to explain the rationale and give support for your solution.
