

## Group Roles and Responsibilities Form

Names of Group Members:

**Directions:** Now that you have shared your research with each other, it is time to prepare your presentation for the President. Your group has limited time to complete the presentation (remember, American lives are in danger and time means everything!), so you will need to divide up the tasks that need to be completed today in order to be prepared for tomorrow's presentation. Keep in mind that some tasks are easier than others, some tasks require more than one person, and everyone will want at least one task that they feel comfortable with!

You have 5 minutes to divide up the following tasks between yourselves equally. Remember, part of your presentation grade is based on everyone in the group sharing an equal part.
