

Postcard Book

Student Directions

To demonstrate your understanding of the geographic them of PLACE, you will create a series of postcards that will show both the human and physical characteristics of Cyprus. One side of your postcard will have your drawing of either a physical or human feature of Cyprus. The opposite side will contain a message to someone about your imaginary travels through Cyprus.

Your postcard book will be evaluated on the following:

Originality: Does your book show an effort to make your book unique?

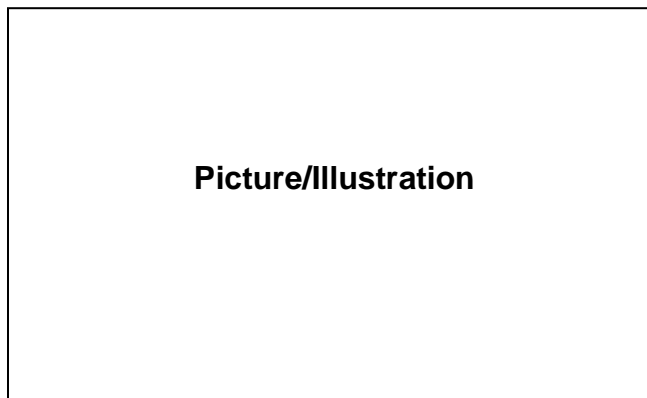

Neatness: Your work shows pride.

Message: Relays facts or information about Cyprus in an interesting way.

Completeness: You have the required number of postcards – 3 Physical, 3 Human, a postcard with a map of Cyprus, title page.

Format: Meet the requirements of a correctly formatted postcard.

Conventions: Correct spelling and grammar.

Correctly Formatted Postcard
