

The Events of 1948: Debrief and Analysis

In groups, review your historical document analysis of the *Nakba* and The War of Independence and bullet note what each set of events meant to each people. In addition, write any questions you have.

<i>The Nakba and the Palestinians</i>	The War of Independence and the Jewish people

Critical Thinking:

1. What are the major differences in narratives between the Palestinians and Jews regarding the events of 1948?

2. What long lasting consequences do you think these events will have on both peoples?
