

Assignment Option 3: Creative Writing

Task: Write a short story of approximately two pages (2 sides of a page if handwritten; 2 pages double-spaced if typed)

What to Do: Choose ONE of the following as the basis of your story:

- mystery investigation: a police inspector interviews witnesses to find out what happened to the Little Black Fish.
- same story told a different way: rewriting the story so that the characters are people instead of animals

What you will be graded on:

- organization (have a beginning, the main events of the story, and a conclusion)
- creativity
- readability (good spelling, word choice, grammar)

****inclusion of *specific* information from the story (mystery investigation) OR close parallelism with the story (rewriting with people as the characters)**
